IN THE SPECIFICATION

Please amend the paragraph beginning at page 16, line 11, as follows:

At C12 appears a definition of a 3D shape known as "Vrml". The Vrml code permits 3D display on-line. This form is defined by a chain of characters according to [[the]] a known Vrml syntax described for example at the site http://www.vrml.org. This shape is then displayed and put into colours.
